*Message from the President...*

Greetings and welcome to the official website of the Philadelphia Alumnae Chapter of Delta Sigma Theta Sorority, Inc. We are celebrating 81 years of service in Philadelphia, which began with our chartering as Xi Sigma in 1927. We are extremely proud that our 11 charter members include the first national president of Delta Sigma Theta Sorority, Inc., Sadie Tanner Mossell Alexander.

Today, our membership has grown to over 490, spanning all ages, professions and backgrounds. Our members unite in their dedication to Delta's Five Point Thrust – economic development, educational development, international awareness and involvement, physical and mental health, political awareness and involvement. With such a strong base, Philadelphia Alumnae is able to develop and deliver many programs to support the Thrust. Annual activities include a six-week SAT workshop for high school students, the Juanita Kidd Stout youth economic development workshop and a prayer breakfast featuring speakers that inspire and call you to action.

When we are not hosting these events, Philadelphia Alumnae is providing scholarships to college students, mentoring high school and middle school girls, helping incarcerated mothers connect with their children and promoting awareness of policies that impact our city and community.

Thank you for visiting our website. We welcome you to visit us again and at one of our many events.

Sincerely,

*Victoria A. Mosley Rivers*
